

PART IV

Section 2-A.

**MYSORE BILLS AND REPORTS OF SELECT
COMMITTEES THEREON.**

MYSORE LEGISLATURE.

NOTIFICATION.

No. 8325—L.A., dated 28th October 1952.

The following Bill was introduced in the Legislative Assembly on the 25th October 1952:—

**THE MYSORE ALIENATED VILLAGES (PROTECTION OF
TENANTS, AND MISCELLANEOUS PROVISIONS)
(AMENDMENT) BILL, 1952.**

**A Bill to amend the Mysore Alienated Villages (Protection
of Tenants and Miscellaneous Provisions) Act, 1950.**

Whereas it is expedient to amend the Mysore Alienated Villages (Protection of Tenants and Miscellaneous Provisions) Act, 1950; Preamble.

It is hereby enacted as follows:—

1. This Act may be called the Mysore Alienated Villages (Protection of Tenants and Miscellaneous Provisions) (Amendment) Act, 1952. Short title and commencement.

It shall come into force at once.

It shall also apply to the proceedings before the Deputy Commissioner or any of the higher authorities, pending at the time of the commencement of this Act relating to such transactions as are described in the Proviso to Section 6 of the Mysore Alienated Villages (Protection of Tenants and Miscellaneous Provisions) Act, 1950.

Amendment
of Sec. 6 of
the Mysore
Alienated
Villages
(Protection of
Tenants and
Miscellaneous
Provisions)
Act, 1950.

2. In the Proviso to Section 6 of the Mysore Alienated Villages (Protection of Tenants and Miscellaneous Provisions) Act, 1950, substitute the word "And" for the word "Or" occurring after the words "in good faith" in (a) and omit the letter and brackets "(C)".

Statement of Objects and Reasons.

The main object of the Mysore Alienated Villages (Protection of Tenants and Miscellaneous Provisions) Act, 1950, is to give protection against eviction of tenants in alienated villages in Mysore and to protect their tenancy rights in such villages. But the Proviso to Section 6 of the said Act empowers the Deputy Commissioner to confirm even the *mala fide* transactions, if they are found to be entered into for valuable consideration or if the confirmation is found necessary for the maintenance of rural economy. This has the effect of confirming *mala fide* and fraudulent transactions to the detriment of the lawful rights of the tenants and thus defeating the very object of the Act. It is therefore necessary to amend the Act suitably. This Bill seeks to achieve this object.
